

PASSIVE-MEMBERSHIP

(Version 23 January 2024)

As a member of several organisations, we are very much interested in the continued development of Karate in Switzerland and around the globe.

Whether you are a former member of our school, have trained in Karate before, still have Karate in your blood or would just like to support our sport, we would like to give you the opportunity to be involved as a passive member.

You can easily sign-up and hold passive membership with Swiss Seishinkai Karate-Do and maybe you will be interested in Karate again at a later stage. With the low yearly fee you not only support Karate for the young, but you also profit personally:

Passive membership with licence

(CHF 110.00)

- You remain as member of Seishinkai and have no licence gap in your personal Martial Arts Passport (e.g. for a later comeback).
- As passive member, you can still participate in courses or events of Swiss Seishinkai Karate-Do.
- You support the Swiss Seishinkai Karate-Do and its projects (youth sport etc.).
- You stay informed about international Karate courses and events.

Passive membership without licence

(CHF 80.00)

- You support the Swiss Seishinkai Karate-Do and its projects (youth sport etc.).
- You stay informed about international Karate courses and events.

The registration to passive membership is very simple. Please fill in the form below and send it to us. You will automatically become a passive member by paying the yearly dues. In the case of cancellation, a **notice** must be sent by registered mail latest by 30th November of the current year. Should we not receive written notice, the contract will automatically be extended for another payment period by default.
