

PASSIVE-MEMBERSHIP

(Version 11 November 2019)

Dear friend of Karate-Do

As a member of several organisations, we are involved in the continued development of Karate in Switzerland and around the globe. Whether you are a former member of our school, have trained in Karate before, still have Karate in your blood or would just like to support our sport, we would like to give you the opportunity to be involved as a passive member.

You can easily sign-up and hold passive membership with Swiss Seishinkai Karate-Do and maybe you will be interested in Karate again at a later stage. With the low yearly fee of CHF 80.00 / CHF 90.00 (see below for details) you not only support Karate for the young, but you also profit personally:

Passive membership with licence (CHF 110.00)

- You remain as member of Seishinkai and have no licence gap in your personal Martial Arts Passport (e.g. for a later comeback).
- As a member with licence, you can still participate in courses and events or profit from event admission discounts.
- You support Seishinkai and its projects (J+S youth sport etc.).
- You stay informed about international Karate courses and events (distribution of information).

Passive membership without licence (CHF 80.00)

- As passive member, you can still participate in courses or events of Swiss Seishinkai Karate-Do or profit from event admission discounts.
- You support the Swiss Seishinkai Karate-Do and its projects (youth sport etc.).
- You stay informed about international Karate courses and events (distribution of information).

The registration to passive membership is very simple. Please fill in the form below and send it to us. You will automatically become a passive member by paying the yearly dues. In the case of cancellation, a notice must be sent by registered mail by 30th November of the current year. Should we not receive written notice, the contract will automatically be extended for another payment period by default.

With sporty greetings
